

## OF BEST GRADE

(Continued from Page One.)

mile dash, brought out three starters, Amario, Antidote and Seabreeze. The betting was all in favor of the first named, two to one being offered against the field. The start was good, the three getting off together. As soon as the flag fell Seabreeze flew to the right, crowding Amario, who was on the outside. Whether there was a deliberate foul could not be ascertained from the stands, although appearances were decidedly against the rider of Seabreeze. In the meantime Antidote was running like a demon, with about five lengths advantage. Amario did not get out, and the best she could do was to finish a poor second to Antidote. Amario's jockey immediately entered a protest against Seabreeze, which was allowed. The jockey of the latter horse was ruled off for life and fined \$25. Afterwards, in speaking about the affair, he said in extenuation of the allowed protest that his mount was green and persisted in flying the track, despite his efforts. This crowded Amario to the fence. The protested race was later run off, Amario finishing first, closely followed by Antidote, with Seabreeze a poor third. Time, 1:47.

The fifth race was the event of the day. This was the trotting and pacing free for all, best two in three, for the Honolulu Stock Exchange cup with \$250 added. Violin, Our Boy (Wela ka Hao), Loupe and Irish Lassie were entered. The betting was heavy, the talent being evenly divided between Our Boy and Irish Lassie. One wager alone of \$1000 a side was registered between these two horses. Violin was considered to have a fighting chance, with Loupe the dark horse both literally and figuratively. The general favorite was Our Boy who was hard pressed in public favor by Irish Lassie. They all appeared on the track amid cheers for each one. Quinn held the ribbons over Violin, Costello for Our Boy, McManus for Loupe and Gibson for Irish Lassie. The start of the first heat was all satisfactory. Loupe, Our Boy, Irish Lassie and Violin was the order at the first eighth, the latter having broke soon after the start. As they passed the half Our Boy broke and dropped back a point. Loupe with astonishing speed kept the lead into the stretch, pursued by Irish Lassie. Our Boy again broke and trailed the procession. As they came down the stretch with Loupe leading the shouting of the short-enders was tremendous. Under the wire the black horse flashed, lengths ahead of Lassie while Violin lead Our Boy. First heat, Loupe—2:12½.

The second heat was as exciting as the first. Loupe got away badly. Our Boy swung into the pole ahead and led the bunch to the half when Irish Lassie tied him. Here Loupe again proved himself an astonishing performer by closing on the leaders and hanging with them neck and neck. As they passed the last quarter Loupe lost her elegant chance by breaking. Wela ka Hao forged to the front and was still there as they rushed under the wire, Irish Lassie second, Loupe third. Time 2:15½.

The third heat was the all important one. There seemed little doubt but that upon the result of it hung the race. The flag fell on a perfect start. Lassie soon broke, lessening her chances. Our Boy and Loupe fought it out together to the last half. Here Loupe again let out a few links and commenced drawing away from the sorrel. Irish Lassie had in the meantime passed Violin. Into the stretch they whirled in the same order. The crowds were rampant. All the names of the horses were mingled in one loud shout. Loupe never faltered and came down the stretch like a whirlwind with no need of the whip that McManus laid upon her. Wela ka Hao followed the black under the wire, Irish Lassie third. The third heat and race belonged to the dark horse. Summary:

Loupe—blk. g., aged, John Seven Oaks-Nutwood—1-2-1.  
Our Boy—s. g., aged, by Vernon Boy-Nell—Bly—4-1-2.  
Violin—b. m., aged, by Alex. Button—Viola—3-4-4.  
Irish Lassie—b. m., aged, by St. Patrick-Aurelia—2-3-3.  
Time: 2:12½, 2:15½, 2:18.

The sixth race, Waikapu cup, three-fourths mile dash, brought out only two starters, Venus and Royalist, Amario having been scratched at the last. There was only one horse in the betting. This was Venus who came up to expectations by romping home an easy winner in 1:18.

Six good horses faced the flag in the eighth, Criterion cup, one and a quarter mile dash, free for all. They were Amario ridden by Opipio, Gartelle by Keana, Permainito by Kawili, Van Wagner by McAuliffe, Antidote by Frank and Sympathetic's Last by Francis. The general betting was Amario against Sympathetic's Last, and six to four on the field against the latter.

The start was good and as they came past the grand stands Sympathetic's Last, Antidote and Amario were bunched in the lead with the others trailing. At the half Amario took the lead and Sympathetic's Last dropped into third place giving way to Antidote. In this order they flew into the stretch. At the last quarter Antidote necked it with Amario while Sympathetic's Last lapped the latter. The others were strung out at various distances. At the last eighth Amario pushed up a point. The wire was passed with Amario leading Antidote by a nose, the latter winning by a head from Sympathetic's Last. Summary:

Amario—bay g., aged, by Koala-Amandine—1.  
Antidote—g. g., aged, by Senator Stanford-Poison—2.  
Sympathetic's Last—b. g., aged, by Fairplay-Sympathetic—3.  
Time—2:16½.

The ninth and concluding race was for the Hawaiian Jockey Club cup, one mile, gentlemen's driving.

Prince David held the ribbons over Morosco, Prince Cupid over Silver King, Dr. Humphries over Gussie B. and W. Wolters over Flora G. The betting was evenly divided between the first and last named. After the start there was no doubt as to the result. Flora G took the lead and held it throughout. The others broke and strung out, Gussie B trailing the procession. Flora G came home an easy winner, with Morosco second, Silver King third. Time, 2:28.

## "PHILLIE" SAILS.

## Big White Cruiser and Admiral Off for Home.

(From Monday's Advertiser.)

The United States cruiser Philadelphia weighed anchor in naval row at 7 o'clock on Sunday morning, and two hours later the smoke of that familiar man-o-war had disappeared around Diamond Head. All day Saturday the Philadelphia was cleaning up after the coaling, which had begrimed her decks for the past week, and upon her departure was as neat and clean above board as any of the fleet. The bottom of the "Phillie," however, is covered with barnacles and sea slime, and no steam will be wasted by Admiral Kautz in trying to make speed to San Francisco. There she will be put into dry dock immediately for a thorough cleaning. The Philadelphia carried no mail, as the Australia, sailing for San Francisco tomorrow will arrive in that port probably a day ahead of the white cruiser.

## HIGH PROJECTILE VELOCITY.

A velocity of 3000 feet per second was recently recorded in the late tests at Indian Head of the new 45-caliber six-inch United States naval gun. This is claimed to be the best record made by a gun of this class. The Krupp 15-cm (5.87-inch) and the 16-cm (6.3-inch) use projectiles weighing 88.2 and 110.2 pounds respectively, but the highest muzzle velocity recorded for these is 2635 feet seconds. These guns are 50 calibers long. The Krupp 21-cm (8.24-inch) uses a projectile weighing 238.1 pounds, and is credited with a muzzle velocity of 2822 feet seconds; and the same velocity has been obtained with a Krupp 24-cm (9.45-inch) gun, with a projectile weighing 352.7 pounds. The nearest French gun in type is the Schneider-Canet quick-fire, 5.91-inch caliber, using a projectile weighing 88.2 pounds. With lengths of 45, 50 and 60 calibers this gun shows velocities of 2625, 2756 and 2953 feet seconds respectively. The 60-caliber length is an experiment, and the 45-caliber is the one to be compared with the American gun. The six-inch Elswick guns of 50-caliber claim a velocity of 2940 feet seconds, but the British naval authorities say that the velocity is not desirable, owing to the great wear on the gun. The American full tests are not made public; but it is claimed that the results were due to a new smokeless powder recently adopted by this Government.

## AN APT REPLY.

(Boston Globe.)  
The story is told by the historian, Sharon Turner, of an Italian Prince in the middle ages who journeyed in glitter and pomp to visit a homely and isolated Prince in the north of Germany. As the two Princes stood upon a lofty hill one day, the Italian ventured to ask, as he surveyed the landscape: "Where are your churches, prisons and almshouses, Prince? From a similar elevation in my principality you could count a score of churches."

The rude German hesitated a moment and then said: "Your Highness, as every man among us respects his neighbor's rights and property, Almshouses are not called for, since nobody here attempts to live on others' toil; and as for churches, a very few suffice, because our people find it so easy to serve God and be good without any. It is only where people are very wicked that so many prisons, almshouses and churches are needed."

## A SAD FATALITY

Death by Accident of Mr. Herbert W. Dickey.

## A PROMISING YOUNG MAN

Field Contrivance Went Wrong—Effort to Save Life—Member of a Leading Island Family.

(Special Correspondence.)

MAUI, June 9.—The morning of the 7th a most frightful accident occurred on Hamakua-poko plantation, causing the death of one of the most promising young men of Makawao district, and making sad the hearts of the entire community.

While engaged in arranging a trolley wire which conveyed cane from the Kalaunui fields to Hamakua-poko, the anchor post, a piece of lumber measuring six inches by six, which held fast one end of the wire cable, pulled up, and with tremendous force struck Herbert W. Dickey full in the face, crushing in the bones of the forehead and nose. After being conveyed to his home at Kalaunui three doctors were summoned, Messrs. McConkey, Weddick and Raymond, who later in the day performed an operation which, however, proved futile. The accident occurred at 11:30 a. m., and death ensued at 9 p. m. the same day.

Herbert W. Dickey was in charge of the Kalaunui section of Hamakua-poko plantation, and was the son of Mr. and Mrs. C. H. Dickey, of Makawao, and the brother of Mr. L. A. Dickey, Mr. C. W. Dickey and Mrs. Harry Waterhouse, Jr., of Honolulu, and of Miss Belle Dickey, who is at present at school in Oakland.

Mr. Dickey was educated at Chicago University, and was but 24 years of age. Physically and mentally he was a type of noble manhood, giving every promise of a most brilliant future. The funeral, conducted by Dr. E. G. Heckwith, will take place today at 11 a. m.

Monday afternoon, the 5th, Makawao teachers held their monthly meeting in the Makawao schoolhouse. Exercises in arithmetic and geography were among the events on the program.

On the 10th a fair will be held in the Lahaina English Church.

It is stated that Dr. Mouritz has sold his lands at Mapulehu, Molokai, to Kamalo plantation for \$30,000.

Paia plantation as well as Hamakua-poko will establish a kindergarten. Miss Steele, who will have charge of the Hamakua-poko school, is at present in Hilo taking a course of lessons in kindergarten teaching.

The Maui Board of Registration, when stopped by orders from Honolulu, had registered nearly 300 voters.

The closing exercises of Maunaloa Seminary, which will be held on the 21st, will probably be given in the open air, weather permitting, inasmuch as the rooms in the old Haleakala school building are not sufficiently spacious. The program for this all fresco entertainment includes a drill by the girls and other interesting events.

Weather: Dry, with regular trade winds.

## Two in One Day.

Saturday was a wedding day within the precincts of St. Andrew's Cathedral. In the morning at 11 o'clock, the Rev. Kong Yin Tet, pastor of the Chinese Episcopal Church, was united in marriage to Miss Ching Ngai Chin, who recently arrived from China. The Bishop of Honolulu performed the ceremony in the presence of a very large Chinese congregation.

In the evening, at 7:30 o'clock, Charles Kalekale, clerk in the Registrar's office, was married to Miss Lydia Rose, quite a number of friends being present to see the couple made man and wife. The Rev. Alex. Mackintosh officiating. The groom being a member of the surplised choir of the cathedral, his fellow-members turned out and sang the hymn, "How Welcome Was the Call."

Wray Taylor officiated at the organ, and played the usual wedding music.

## A SHARP PIECE OF BUSINESS.

Among the latest devices in the economical conduct of business is the scheme alleged to have been hit upon by several Chicago business concerns to ship large quantities of advertising circulars to Mexico in bulk and have them mailed there. The postage is the same there as here, but owing to the depreciated value of Mexican money there is a considerable saving in the amount of American money actually paid out for stamps. This performance can only be stopped by the postal authorities of the United States and Mexico acting in conjunction, although there appears to be nothing illegal in it.

## Are You Poisoning Yourself?

You might make a single meal of rich pies and cakes, and not mind it. But you could not live on these all the time without ruining your digestion.

Yet, week after week and month after month, you allow your brain and nerves to be fed with impure blood.

The general debility, thin blood, pale cheeks, nervousness, loss of appetite and depression of spirits, are loud warnings from nature. Your nervous system is weakening. Before the ruin comes take

## AFFIRMATIVE ANSWER.

Church People Will Continue Foreign Mission Work. (From Monday's Advertiser.)

The Hawaiian Evangelical Association held the last session of its annual meeting at the Central Union Church yesterday morning. Rev. Hiram Bingham, chairman of the committee on foreign missions of the Hawaiian Board, presided. The service was devoted solely to the foreign missions. The offertory was the largest ever given in the history of the church, it being \$10,459. In addition to this amount, during the week the Central Union members raised \$2000 for the Hawaiian Board, and \$1000 for clearing the debt of the American Board.

The first address of the day was "Publish Good Tidings," by Rev. S. E. Bishop.

This was followed by a solo and chorus, the missionary's call, "My Soul is Not at Rest."

Rev. Louis Mitchell and Choir, "My soul is not at rest. There comes a strange and secret whisper to my spirit, like a dream of night, that tells me I am on enchanted ground."

"The voice of my departed Lord, 'Go teach all nations!' comes on the night air and awakes mine ear."

The Gilbertese Sunday School of Honolulu then gave a symbolic representation of the results of the foreign work of the Hawaiian Board.

Rev. O. P. Emerson then gave a statement of foreign work now being done by the Board.

This was followed by a presentation of some foreign work that the Board would be glad to do in the coming days, by Rev. Hiram Bingham, chairman.
